## Second Grade

### School Supply List for the 2020-2021 School Year

We will make it an amazing school year together! Without a doubt it will be different than previous years, but it will be one we will all never forget!

Below is a list of items that **Second Grade** teachers are asking their students to have for **IN SCHOOL** and **AT HOME**. Students will **not** be sharing items in school. All school supplies will remain with each student in his/her desk.

(Tissues and paper towels will be stored by the teacher.)

We hope you find this helpful and happy shopping!
